SQUASH GUIDE 2024

RED OCTOBER

Deep red colored hybrid Hubbard squash.

- Striking dark red fruit color.
- Excellent uniformity.
- 6lb to 10lb fruit size.
- A must have for ornamental use.

HUBBA HUBBA

Deep red colored small sized Hubbard squash.

- Striking dark red fruit color.
- Semi-bush plant habit with high fruit numbers per plant.
- Semi-bush allows increased population density with higher yield potential.
- Smaller 2lb to 4lb fruit size.
- Stands out in ornamental uses.

GREY GHOST

Specialty grey fruited type with outstanding storage potential.

- Early maturity.
- Very good flavor.
- Slightly flattened 10lb to 15lb fruit size.
- Some tolerance to powdery mildew.

SPECIAL EXPORT

Quality Kabocha Squash that leads its class for post harvest storage.

- Green fruit, with slightly flattened round shape.
- Average weight is 5lb.
- Vigorous vine growth habit.
- Outstanding post harvest storage.
- High yield potential.

ORANGE CUTIE

Cute small orange fruit.

- Semi-bush plant habit with high fruit numbers per plant.
- Semi-bush allows increased population density with higher yield potential.
- Smaller 2lb to 4lb fruit size.
- Great for specialty culinary use.

GABRIELLE

Early to midseason maturity hybrid butternut.

- Medium size with a blocky character.
- PM tolerant.
- Uniform size and shape.
- Class leading marketable yield.

ROCHELLE

Mid-Season hybrid butternut.

- Classical butternut shape.
- Dark orange flesh.
- High marketable yield.
- PM tolerant

ISABELLE

Medium sized hybrid butternut squash.

- Uniform blocky shape.
- Mid season maturity in comparison to other varieties.
- Deep orange flesh and excellent eating quality.
- Medium length vine growth habit.

BUTTERKIN

A new breed with a vibrant orange interior and delicious creamy texture.

- 6 inch to 10 inch diameter (approx. 3lb).
- Smooth tan exterior and an impressive vibrant orange interior.
- Deliciously sweet, dense and buttery flesh.
- The creamy, smooth-textured flesh makes Butterkin perfect for roasting, baking, soups and steaming.

BLUE ICE

- Absolutely unique.
- Super large grey skinned squash.
- 30lb fruit.
- Some tolerance to powdery mildew.
